Mr John Nisbet
Big Screen Advertising
139 Richmond Road
RICHMOND SA 5033

Dear John

On behalf of the Far West Commonwealth Respite and Carelink Centre I would like to take this opportunity to thank you and your team for the development and production of our Young Carers and Respite and Carelink Centre Cinema ads.

The ads have been screening for the past couple of months at the Village Silver City Cinema in Broken Hill and we have received some great feedback relating to the content and quality of the production.

We acknowledge the hard work and time that goes into producing a high quality product and appreciate the prompt service we received.

Thanks also for converting the ads to allow us to screen them over our local television network (Southern Cross Broadcasting), the two ads will screen in the coming months and will provide the opportunity to further promote our Centre to the wider community.

Yours faithfully

TIM GAUCI
RESPITE AND CARELINK COORDINATOR
